Final audit report

05.12.2019

REPUBLIC OF ESTONIA
MINISTRY OF FINANCE

SUMMARY OF AUDIT RESULTS

Audit outcome:

Based on the audit work performed, the auditors have obtained reasonable assurance that the expenditure declared is in all material aspects legal and regular and in compliance with the programme rules.

Audit opinion¹:

➤ no audit findings

The project audit has been carried out in compliance with the International Standards for the Professional Practice of Internal Auditing.

We wish to thank the auditee for the assistance and cooperation provided during the audit.

We confirm that the final audit report consists of 6 pages.

¹ **Significant findings** are those that have or may have a financial impact (i.e. ineligible expenditure). **Non-significant findings** are those that have no financial impact but whose correction will help the beneficiary to lower risks while implementing the project.

2. Limitations

The audit procedures were carried out in compliance with internationally accepted auditing standards⁵ and the audit report was prepared using the principles of independence and objectivity.

Auditors conclude that all data presented during the audit and other oral and written information made available during the audit presents a true and fair view of the activities performed during the project implementation and are sufficient to provide an opinion about the project. In case of additional information that was not provided or was not known to auditors, the conclusions reached by auditors might have been different.

³ If a sample was not used for auditing, the size of the sample is the total population in euros and the share of audited expenses to total population is 100%.

⁴ Share of ineligible expenses to audited expenses (%). If a sample was used for auditing, the share of ineligible expenses to the sample size shall be used.

⁵ The International Professional Practices Framework (IPPF) of the Institute of Internal Auditors.

PART B

AUDIT FINDINGS

1. Use of funding as intended

The funding has been used in material aspects in intended manner, in a reasonable and efficient way and in accordance with the objectives and requirements laid down in the subsidy contract and in the programme manual.

2. Accuracy of book-keeping records

The book-keeping records for the project are in all material aspects in compliance with the current legislation.

3. Amount and timing of funding

The granting of funding has in all material aspects been made available in the amount foreseen and on time, and the co-financing has been guaranteed.

4. Carrying out of public procurements

The beneficiary has in all material aspects carried out public procurement in compliance with legislation.

5. Granting of state aid

On the basis of subsidy contract the programme has granted *de minimis* aid to some of the project's implementing partners, but the audited beneficiary has not received any state aid.

6. Communication and publicity

When informing and disclosing the use of funding, the beneficiary has in all material aspects followed the current legislation.

We confirm that the final audit report has 6 pages.
